

FENCE AND RAILING

FULL LINE BROCHURE

Styles to suit any home.

Whatever your design needs, Ply Gem Fence and Railing manufactures a full range of vinyl and outdoor products to suit the look of any home and to meet any functional requirement.

- Routed construction means it looks great from any angle
- Supported by nationwide service and distribution
- Backed by a Limited Lifetime Warranty

No wood. No work. No hassle.

More and more homeowners and installers like you are choosing vinyl outdoor products. You're choosing them because you want the classic look of wood without the upkeep or expense.

No need to paint, stain or replace rotted boards damaged by water or insects. Ply Gem Fence and Railing is a sustainable fencing option.

Formulated for exceptional strength and beauty.

Only the best materials go into Ply Gem Fence and Railing products. We use the highest quality raw materials and the most advanced engineering techniques. Why? Because they make our products last longer and look better than other vinyl fence and railing products. Which, over time, makes customers very happy and helps you stand out from the competition.

MAKE YOUR FENCE A FEATURE WITH STACKED STONE

- One versatile stacked stone color, Canyon
- Molded directly from Civil War fence row
- Hand-painted by skilled colorists for a natural, variegated look
- Our stone pairs well with all the colors in Ply Gem fence and ranch rail options

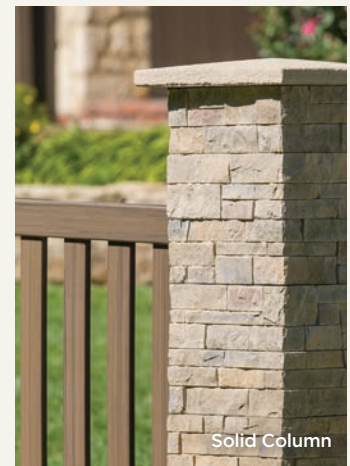

Privacy Column

PRIVACY COLUMN COLLECTION

FROM PLY GEM STONE

Designed to receive Ply Gem solid privacy fences in a variety of colors. Privacy columns construction allows for the installation of a routed post to help lock the fence securely in place.

Solid Column

SOLID COLUMN COLLECTION

FROM PLY GEM STONE

The Solid Column Collection is designed for stand-alone pillars or fence posts with Ply Gem ranch rail and other fencing materials. Works best with Ply Gem ranch rail configurations.

DOING OUR PART TO KEEP THE OUTDOORS GREAT.

Like all Ply Gem products, our fence, railing and outdoor structures are designed for low maintenance and lasting good looks. They don't require painting or staining so they don't release harmful solvents into the environment. They don't rot like wood or attract termites so they last a lifetime. In addition, our vinyl railing is green-certified under the National Green Building Standard practices. It's all part of our commitment to a sustainable future.

THIS PRODUCT HAS BEEN CERTIFIED BY HOME INNOVATION RESEARCH LABS.

This means you can be assured that this product complies with specific green practice criteria in the National Green Building Standard (NGBS). Visit www.HomeInnovation.com/GreenProducts for more details.
